InDesign	JavaScript	Git

## study.

### Lighthouse Labs

8 week Web Development bootcamp.

### British Columbia Institute of Technology New Media & Web Development

Recipient of the Senior Management Certificate. Graduated with honours.

## work.

### Freelance

2009 - Present

Worked on print, web, and corporate identity for companies such as RentMoola, CEO.ca and various start ups. Gained experience in project management through tight deadlines, client budgets, and organizing timelines of deliverables.

### Bench.co Front-end Developer

2015 - 2016

Collaborated with design and marketing to reskin the entire marketing website. Worked closely with design to prototype new ideas and develop internal projects.

### Fetch Co-Founder & Creative Director

2014 - 2015

Web platform connecting local, reputable dog breeders and shelters with potential dog owners. Designed all creative including branding, marketing materials, and digital. Worked with team to develop the front-end. Pitched at Launch Academy's Student Start up challenge and won first place.

### Mogo Financial Inc. Graphic Designer

2012 - 2013

Strategized with the marketing team and collaborated with print shops to create collateral such as in-store wall graphics, exterior signage, stickers, and flyers. Redesigned the blog as an independent project which required communication with developers to deliver the new design.

### Fluid Digital Designer

2011 - 2012

Design lead on many web projects which included clients such as South China Morning Post, Trinity Limited, and RacingThePlanet. Adapted quickly to the intense work ethic of Hong Kong businesses. Communicated clearly with a team to ensure strategy was on brief.

### PacWebCo Interactive Designer

2010

Hired as an Interactive Designer after two short weeks of intern status. Designed websites and graphical elements for clients such as RBC, Fuck Cancer, and Grind for Kids.

### Cowie & Fox Design Intern

2008

A very team orientated work experience while at BCIT. Gained knowledge in prepress by designing a window display for Swimco.
